SECTORS OF ACTIVITY

DNS Inspectors and Auditors have in-depth knowledge, significant experience, and comprehensive expertise. Because of these credentials and their continuous training, they are empowered to perform **audits/Inspections for the Liberia Flag Administration** and to **review/approve Shipboard Operational Manuals**.

Our activities cover the following fields of Maritime Services:

- ▶ **FLAG STATE INSPECTIONS**
- ▶ **SMC / DOC / ISPS / MLC (INTERIM / INITIAL / INTERMEDIATE / RENEWAL /SPECIAL) AUDITS**
- ▶ **IHM (INITIAL / RENEWAL / ADDITIONAL) INSPECTIONS**
- ▶ **INTERNAL AUDITS ON BEHALF OF SEA NET VERIFICATION SERVICES**
- ▶ **MARINE CASUALTY INVESTIGATION SERVICES**
- ▶ **COMPANY FORMATION & INCORPORATION (LIBERIA)**
- ▶ **REVIEW AND APPROVAL OF SHIPBOARD OPERATIONAL MANUALS**
 - Ballast Water Management Plan (BWMP)
 - SOPEP (Ship Oil Pollution Emergency Plan)
 - SMPEP (Shipboard Marine Pollution Emergency Plan)
 - STS (Ship to Ship Transfer Manual)
 - SSP (Ship Security Plan Manual)
 - VOC (Volatile Organic Compounds Manual)
 - GMP (Garbage Management Plan)
 - SSAM (Ship Structure Access Manual)

HUMAN RESOURCES

DNS places essential value on the Human Element.

As a result, the Company has designated highly skilled Inspectors/Auditors from the maritime industry to perform Inspections/Audits on behalf of LISCR. Our assignees (Inspectors/Auditors) are well-educated and specialise in **Marine Audits (ISM, ISPS, MLC), SOLAS, MARPOL, ILO, ILL, IHM Conventions, and Flag Inspections**.

Furthermore, the **DNS Network** of Inspectors/Auditors consistently monitors and tracks Marine legislative systems to ensure they stay informed about relevant International and National Regulations.
